FIFTY-FIFTH

Annual Report

OF THE

TUNBRIDGE WELLS

Eye and Ear Hospital

Established 1878.

Tunbridge Wells:

BALDWIN, PRINTER, GROSVENOR WORKS. 523-2-34.

THE TUNBRIDGE WELLS EYE AND EAR HOSPITAL was founded in 1878 for the relief of the poor suffering from diseases of the eye, ear, nose and throat.

The resident nursing staff now consists of a Matron and five to six Nurses. Operations are usually performed on Monday, Wednesday and Saturday mornings at 9 o'clock, and medical practitioners may attend on presentation of card.

The Hospital is dependent on Voluntary Contributions, and is managed by a House Committee, which usually meets on the first Thursday in each month. The Committee is elected from among the Governors of the Hospital. Four members retire annually, but are eligible for re-election.

Patients are admitted to the benefits of the Hospital on presentation of Subscribers' Letters of Recommendation. List of Subscribers may be obtained from the Honorary Secretary, Eye and Ear Hospital, Tunbridge Wells. Accidents are admitted without Letters, but Patients must obtain one afterwards.

Accidents are admitted at any time of the day or night, and Out-Patients are seen on Monday, Tuesday, Wednesday and Friday afternoons at one o'clock, and should bring a Subscriber's Letter which is available for six weeks.

An In-Patients' Letter of Recommendation entitles a Patient to professional attendance and medicine for a period of four weeks, after which a Patient must get a new Recommendation or pay 10s. 6d. a week.

In-Patients may be visited by their friends on Thursdays and Sundays, from 2 to 4.

Subscribers of One Guinea and upwards are Governors of the Hospital for the current year, and for One Guinea are entitled to Two Out-Patients' Recommendations, and for Two Guineas One In-Patients' and Two Out-Patients' Recommendations. Subscribers of Half-a-Guinea receive One Out-Patients' Recommendation.

The qualification of a Life Governor is a donation to the General Maintenance Funds of not less than £25 in one sum. The Life Governor is entitled to one In-Patients' and two Out-Patients' Recommendations annually.

Subscribers are specially requested to bestow their Recommendations on suitable Applicants, as only poor persons are eligible to receive the benefits of the Charity.

Spectacles are provided at reduced prices, and the Spectacle and Instrument Fund of the Hospital and also the Royal Surgical Aid Society enables those Patients who cannot afford to pay, to obtain them gratuitously.

EYE AND EAR HOSPITAL.

MOUNT SION, TUNBRIDGE WELLS.

PATRON and PRESIDENT :

BANKERS : WESTMINSTER BANK, LTD., Tunbridge Wells.

Tunbridge Wells Eye & Ear Hospital.

REPORT FOR THE YEAR 1933.

THE Committee of Management has pleasure in submitting to the Governors and Supporters of the Hospital the 55th Annual Report and Statement of Accounts.

The record of In-Patients, Out-Patients, Attendances, etc., is given on page 7 and the table of Theatre Operations on page 8.

Rapid progress is being made with the erection and equipment of the new Hospital, and in October the Committee of Management made an official visit of inspection and were very favourably impressed with the new building. They are confident that the work of the Hospital will be carried on with greater ease and efficiency than is possible under the difficult conditions at present prevailing.

In readiness for the amalgamation, the funds of the Hospital are now being vested in the Charity Commissioners.

It is with the greatest possible regret that the Committee has to record the death of Miss Emily Swindale on the 21st May, 1933. For twenty-five years Miss Swindale was Matron of the Hospital and endeared herself to all who knew her; the loss is felt keenly by her many friends.

The Mayor of Tunbridge Wells (Councillor R. H. Burslem) issued an appeal for funds to complete the Emily Swindale Cot Fund. While many generous donations have been received, the sum of £285 is still necessary to complete the amount of £1,000 required to carry out the object of the fund. The Committee has allocated £150 from the funds of the Hospital and trusts that the action will have the approval of the Governors at the Annual Meeting. It is hoped that the balance will very soon be subscribed.

Early in the year the Committee had the pleasure of welcoming Mr. T. Pierce to the Committee, as the representative of the Tonbridge Friendly Societies' Hospital Sunday and Benevolent Fund. It was with very much regret that they accepted the resignations of Mrs. Eddison, Miss Davies and Miss Hodgkinson. Their work on behalf of the Hospital was very much appreciated by all, and the Committee takes this opportunity of expressing very sincere thanks for their interest and assistance.

The Committee wishes to thank the Matron and all those who contributed to the success of the Pound Days, which were held on the 21st and 22nd March, 1933.

The Horticultural Society once more very kindly gave the Hospital permission to erect a tent during their Flower Show, for the sale of fruit and flowers, and the Committee wishes to record its sincere gratitude to the Horticultural Society, those who so kindly provided the produce and all helpers.

The Tunbridge Wells and District Association of Hospital Contributors is to be congratulated on the splendid results of the year's working. The contribution of this Association increased from £387 in 1932 to £437 10s. od. in 1933. The additional subscription has gone far to making good the falling off of subscriptions and donations from other sources, and the Committee very much appreciates the keenness of the workers and the support to the Hospital funds.

The Committee earnestly appeals to the Governors to bring the claims of the Hospital to the notice of charitably minded persons on every possible occasion. Old friends are constantly being lost from various causes, and the Committee trusts that everyone interested in the Hospital will do everything in their power to find others to take their places. The Hon. Secretary or Collector would be pleased to send full particulars of the work which is being carried on by the Hospital.

The Committee also thanks the following for the services rendered to the Hospital :—Mr. D. Davies, Dr. J. Walker Wood, Dr. A. E. Starling, Dr. Cyril Starling (Hon. Anaesthetist), Mr. E. R. Tebbitt (Hon. Dental Surgeon), Col. A. R. Cheale (Hon. Solicitor), Mr. Ernest Moore (Hon. Treasurer) and Mr. Percy Wickenden (Hon. Secretary), Dr. Chidson (the House Surgeon), Miss Wardell (the Matron), Miss Shearer (the Dispenser), the Nursing Staff, Miss Birley for assistance in the Out-Patients' Department ; Mr. F. Moat (the Optician), and to Dr. John Simons for his assistance to Dr. Walker Wood.

On behalf of the patients and themselves, the Committee thanks the Rev. Largie for his visits to the Hospital which are very much appreciated.

The Committee is also grateful for the valued contributions from the various Hospital Saturday and Sunday Funds, Friendly Societies, Churches and other contributors.

JOINT BUILDING FUND.

Report, 1933.

NEW HOSPITAL BUILDING FUND.

REPORT FOR 1933.

The task of building the New Hospital had been commenced shortly before H.R.H. the Duchess of York laid the foundation stone in 1932.

During the past year the contractors and all concerned have pushed forward the work so satisfactorily that the completion of the building before the end of the summer is assured.

The continuance of the work was hindered for a fortnight in December owing to the continued frost, but with the exception of that period, there have been approximately two hundred men always at work, a very large proportion of that number being local men. The building has therefore been a very valuable contribution to the problem of relieving unemployment; and the pivot men drawn from outside the Borough must have spent a large part of their wages in the town. Since the commencement of the work upwards of £72,000 has been paid to the contractors.

Various slight modifications have been made in the plans as the work has progressed resulting in the provision of a total of two hundred beds for patients in the Hospital and one hundred in the home for the sisters, nurses and maids. The cost of both buildings including land, fees, equipment, etc., is £178,000.

It is essential that the equipment should be of the very latest design and the cost of this will exceed the earlier estimates, but savings have been made in other directions so that the total cost which provides two hundred beds and a separate building for the Staff is less than £890 per patient's bed. As the average cost per bed in modern hospitals is £1,000 the subscribers can be satisfied that their contributions are being economically spent.

How to raise the money necessary to enable the building to be completed and equipped has engaged the constant attention of the Building Committee. Many friends have been giving regularly and working quietly so that during the year £6,514 17s. 7d. (including interest on the invested funds) has been received.

Special reference must be made to the Pea Nut Club so generously started and organised by the " Courier " newspaper at its own expense. This Club has been the means not only of raising a considerable sum towards the Building Fund, but also of arousing and maintaining a greatly increased public interest in the work being carried on.

The Committee are most anxious that the balance of the money required should be forthcoming before the opening of the Hospital. The cost of working the New Hospital will be much greater than that of the existing institutions and it is most important that this should not be further increased by interest on any debt which may remain.

There are many persons who have only recently come to reside in the town and district. A special appeal is made to them to contribute generously to what will be one of the finest institutions in the neighbourhood.

It is often noticed that in other towns large sums of £10,000 and upwards are given. Tunbridge Wells and district has the reputation of being one of the richest districts in England. Is it not possible for some of these wealthy residents to come forward and provide, if not £10,000 in one sum yet in sums of £1,000 and upwards the balance of the money required.

Boxes at Hospital	43	9	2
					<hr/> £1822 1 10 <hr/>		
Total, included in Income and Expenditure Account (page 10).							

To those kindly disposed to become Benefactors to this Charity by will, the following form of Demise or Legacy is recommended :—

“ I demise and bequeath to the Trustees for the time being of the Institution known by the name of The Tunbridge Wells Eye and Ear Hospital.....
.....
upon trust for the purposes of the said Institution.

Add the words “ The same to be free from death duties,” if such be the intention.

URGENT APPEAL.

Annual Subscriptions and Donations are urgently solicited to take the place of valuable support lost through deaths, removals and other causes.

The qualification of a Life Governor is a donation to the General Maintenance Funds of the Hospital of not less than £25 in one sum. The Life Governor is entitled to One In-Patient's and Two Out-Patients' Letters of Recommendation annually.
